14) Craniofacial morphology in ancient and modern Greeks through 4,000 years.

13) The plague of Athens: an ancient act of bioterrorism?

12) Neurosurgery during the Bronze Age: a skull trepanation in 1900 BC Greece.

11) Paleopathological findings in radiographs of ancient and modern Greek skulls.
Papagrigorakis MJ, Karamesinis KG, Daliouris KP, Kousoulis AA, Synodinos PN, Hatziantoniou MD.

Skeletal Radiol. 2012 May 19

10) Q&A: Facing the past: Manolis Papagrigorakis. Interview by Alison McCook

Papagrigorakis M
Nature. 2011 Mar 3;471(7336):35

9) Facial reconstruction of an 11-year-old female resident of Athens, 430 B.C.

8) Dental status and orthodontic treatment needs of an 11-year-old female resident of Athens, 430 B.C.

Papagrigorakis MJ, Synodinos PN, Baziotopoulou-Valavani E

7) Typhoid Fever Epidemic in Ancient Athens
6) Ancient typhoid epidemic reveals possible ancestral strain of *Salmonella enterica* serovar *Typhi*.

Papagrigorakis MJ, Synodinos PN, Yapijakis C

5) Insufficient phylogenetic analysis results may not exclude candidacy of typhoid fever as the probable cause of the Plague of Athens (reply to Shapiro et al).

Papagrigorakis MJ, Yapijakis C, Synodinos PN, Baziotopoulou-Valavani E
Int J Infect Dis 2006; 10: 335-36, (Letter to the Editor)

4) DNA examination of ancient dental pulp incriminates typhoid fever as a probable cause of the Plague of Athens.

Papagrigorakis MJ, Yapijakis C, Synodinos PN, Baziotopoulou-Valavani E
Int J Infect Dis. 2006 May; 10(3):206-14 PubMed

Tsilivakos M, Manolis S, Vikatou O, Papagrigorakis MJ  
International Journal of Anthropology 2000; 17(2): 91-100

2) Craniofacial Morphology in Ancient Greece.

Papagrigorakis MJ  
Master’s Thesis, Department of Orthodontics and Facial Orthopedics, University of Bergen, Norway, 1993

1) Cephalometric findings of the skull of the Petralonean man.

Papagrigorakis MJ, Spyropoulos MN  
Anthropologic Analecta 1988; 49(1): 47-53
